First Training Day: A Big Success

Thanks to all who participated in the first scheduled training day of the Season. We started the day off with some steadiness training courtesy of Mr. Kane.

We ran all types of dogs through fieldwork from NA to UT. We did Pheasant tracks, UT drags, puppy water and my first round at a backing drill.

A big thank you to Mr. David Riggs. The quail, as expected, were terrific flyers.

Thanks to our friends from Mid-Ohio (Bill & Stew) who traveled down for the day. Nice shooting Stew.

Now for the sales pitch – we still need volunteers for our test weekend April 22nd-23rd (which is filling rapidly). Check the website for the latest info on running order and the number of dogs.

We could still use a gunner. Everyone else interested in volunteering for help during the test contact Marv Bush directly.

Thanks and we'll see you next month,

Chris Hall
